(Read in the name of your Lord Who created)

Expert Authority's Opinions on Our School :

- The S. I. of Harischandrapur Circle, Malda, Smt. Sharmila Ghosh made a District Level visit at our school on 12th May, 2022, when she made the following valuable remark in our School's Inspection Book:- *"Made a visit for District level Evaluation 2022. All the teaching, non-teaching staffs and members of managing committee are cordial. The school campus, toilet latrine are clean enough. Separate functional toilet for boys and girls. There is a kitchen garden in the school. Good arrangement for drinking water. Overall, a kind of sincerity and responsibility are observed in all concerned areas for making the school a class by itself."* - (Signed with Official Seal). (Emphasis added).
- The S. I. of Harischandrapur South Circle, Malda, Sri. Tarak Mondal made a visit at our school on 8th February, 2021 and recorded the following important evaluation of our school:- *"I am very pleased after visiting this school. I have got some life skill education/lesson from here. I wish a great success for this school."* - (Signed with Official Seal).

BACKGROUND :

Malda district is a backward district declared by Ministry of Panchayat Raj, Govt. of India. Moreover, north Malda is more backward than south Malda. The majority of its inhabitants are of village dwelling poor Muslim, Scheduled Caste, OBC and other backward community people. According to different Government reports (Sachar, Mishra etc. Committee), Muslim community in India is a backward community; their socio-economic condition is even worse than that of the Scheduled Castes!

Education is the only key to all progress. Government schools are far behind in meeting the need of quality education. Whereas, the private schools are doing more business with education, they are least concerned for society or for quality of education. In this scenario the condition of the majority population in this rural area, particularly who are generally poor, is pathetic! Considering this hopeless state of the most backward population, Professor Md. Afsar Ali, son of the soil of this area, resolved to cater quality education to our upraising generations. Because, in this globalized world, not mere education, but exceptionally high quality of education is essential to succeed in world-wide stiff competition essential for one's survival.

In this background M. J. MEMORIAL SCHOOL (MJMS) is established at this most backward area on 2nd January, 2016 for uplifting the most backward citizens of this country. Waresin Ara Begom Amin saw her generosity and love for education by donating 33 decimal of land in favour of this school.

On 1st June, 2019 the School is shifted on its own vast land and buildings in a vast open greenery adjacent to the main road and on the bank of fresh village-stream, *Satmoniya*.

AIMS & OBJECTIVES :

- To cater true and the best quality education among the rural populace
- To make complete human being through the development of humanity and morality along with the development of knowledge domain
- To synthesize the modern school education and the moral-ethical education
- To cater education for success in this world and hereafter
- To put more importance on girls' education
- To bring the first generation learners in the limelight of education
- To minimize the cost of education

Busy in Learning in small class under Mature Guidance of the Teacher

MJMS Students in Interactive Learning with the Teacher : Clears Concepts

- To reach quality education up to the poor
- To draw this backward area into the mainstream of national development by acquiring competence and self-sufficiency through best quality education

MJMS inculcates Self-study under Teacher's Guidance, the best study habit

MJMS Students in Class Room Assignment : Develops Problem Solving Skill

TEACHER STUDENT RATIO :

In order to provide the best quality of education teacher's individual attention to each learner is a must. In order to ensure it, Teacher : Students ratio is maintained at 1:24 in the classroom i.e., **one teacher is devoted to only about 24 students in a class room/section.** At present, the overall **Teacher: Student ration is far better, 1.00 : 23.22.**

MJMS Students in Class Room Assignment : Develops Problem Solving Skill

CLASSES:

The school was started with only two classes NURSERY & K.G. (Kindergarten) and upgrades one class every year. At the start of the academic year 2020-21, the school had enrolment of total 232 students in total six classes NURSERY, K.G. CLASSES I to IV in 9 sections altogether. But due to the COVID-19 Pandemic for about two years, we along with other rural schools faced a huge dropout. Although, we were the first in West Bengal to start online teaching-learning process from 14th April, 2020, but failed to overcome the much accelerated barriers to education the poverty and negative attitudinal barriers. But it is our positive inner strength that we successfully overcame the darkest phase in education the COVID-19's evil shadow. In 2021-22 session Class V was the highest class with total students' strength of 160. In the post pandemic sessions, 2022-23 the highest upgraded Class now is VI with total 209 students. In the coming session (2023-24) the highest class will be Class VII starting from Nursery. Direct admission will be done only in Nursery and K.G. classes. However, few students may be admitted in upper classes (up to VII) through Admission Test.

Individualized Teaching by the Teacher : Keeps them Up-bright

HOSTEL FACILITY :

As promised, MJMS has started Students' (Boys') Hostel in the school campus from 2nd August, 2021. Well qualified and experienced teachers from Kolkata and around are residing in this hostel along with the student boarders. At present there are only 11 numbers of student boarders. The residential teachers give academic coaching and all-round perfect guidance to the residential students beyond school-hours as well as cater quality education to the day students of this school during the school hour. We ensure a very good hostel and campus environment congenial for children's holistic development.

School's Hostel (Boys') facility is available for the students from classes II to VII as well as for the residential teachers. However, there is provision for the day scholars' meal also.

Negligible Dropout Rate :

The school was started with 43 students, 19 in K.G. and 24 in Nursery on 2nd January, 2016. MJMS experienced a ZERO DROPOUT RATE in its very year of establishment. This is miraculous and very much encouraging record which M. J. MEMORIAL SCHOOL achieved in the history of education. In the subsequent years also the dropout rate was negligibly low. But expectedly, we had to feel the burn of a sharp 31% dropout due to COVID-19 pandemic in 2020-21 academic year! However, the situation has improved now. This year students' intake has gone up by 30.62% compared to the last year's strength.

ADMISSION :

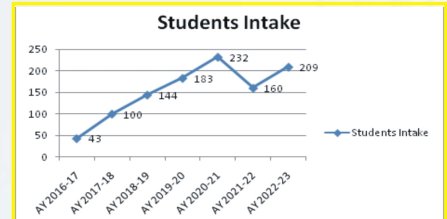

In order to ensure quality, admission is restricted only in Nursery & K.G. Classes. In higher classes, if vacancy arises, few good students may be admitted through Admission Test.

Admission process starts on and from 15th November and continues up to 15th December. Admission form along with the prospectus issued from the office counter of the school within school hours as well as can be downloaded from the school's website: www.mjinternationalschool.in Duly filled-in admission form along with the relevant documents should be submitted within the stipulated period. Permissible age for admission in Nursery Class is 3.5 to 4.5 years and for K.G. it is 4.5 to 5.5 years. Suitable candidates will be selected through personal interview with the parents and child.

ADMISSION IN MJMS IS OPEN TO ALL :

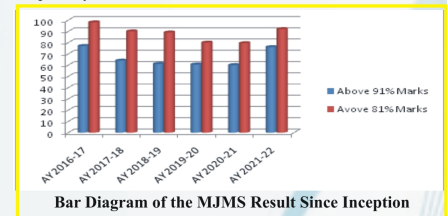

Any child from any Caste, Community, Religion, Gender, Region, Locality etc. can take admission at M. J. MEMORIAL SCHOOL subject to the fulfilment of age and other general criteria of the school.

GROWTH RATE OF STUDENTS INTAKE :

MJMS experiences a consistently good upward growth rate since its inception. But due to COVID-19 pandemic expectedly we experienced a big dropout of about 31%.

RESULT : MJMS produces a consistently good academic performance since its inception. It is only due to the ongoing pandemic that our performance was somewhat thwarted temporarily.

SPECIAL FEATURES OF MJMS :

- This School is recognized by the Govt. of West Bengal (School Education Department).
- Our students are granted *Aikyasree* Scholarship (A Govt. of West Bengal's Scholarship to all Minority Students).

EVALUATION :

Students' progress is being measured following the latest CCE (Continuous and Comprehensive Evaluation) mode. A monthly test is held at the end of every month and four numbers of Semester Examinations are conducted at the interval of three months' period in

June, September, December and March. Semester marks get reflected in the CCE mark-sheets of each learners and these bears due weightage in the evaluation decision. Attendance in all the Semester and Class Tests is mandatory to each learner, exception only in emergent situation.

ATTENDANCE:

MJMS puts maximum emphasis on classroom teaching learning. So, attendance in school is a must for every learner. Student remaining absent for two or more consecutive days without valid /emergent reason will invite appropriate disciplinary action from the part of the management.

SCHOOL RULES & DISCIPLINES :

Discipline and Rule is the mother of success. It is mandatory to abide by the School Rules and Disciplines by the learners as well as by the parents /guardians. Defying or reluctance in following such Rules and Disciplines from the part of the student /parent /guardian will lead to cancellation of admission of his /her ward.

SCHOOL FEE PAYMENT :

Monthly school fee needs to be paid within 12th of every English calendar month. However, there is facility to pay the fee after this specified period, from 13th to 30th /31st of the concerned month but with fine. On the expiry of the 30th /31st deadline his /her ward's admission may be treated as nullified.

TYPE OF THE SCHOOL :

M. J. MEMORIAL SCHOOL is a co-educational institution.

MANAGEMENT :

The school is being managed by the ASSALAM PROGRESSIVE TRUST, a registered Trust under the West Bengal Registration Rules, 1962. Prof. Md. Afsar Ali (Ph.D.-Double) and Waresin Ara Begom Amin (M.A., B.Ed.) execute the important management responsibilities of this school as the Secretary and the Director of the School as per the decision of the school management.

PARENT TEACHER MANAGEMENT ASSOCIATION :

The School organizes a minimum of four numbers of Parents/Teachers/Management meetings in an academic year, at an interval of three months. Such meetings are generally held on the eve of publication of each Semester Result to analyse the result and to discuss all issues related to education of the learners on a case to case basis. This is a very important platform making a healthy bridge between the teachers and parents, management and parents and teachers, school and community. **All parents /guardians and teachers should attend such meetings on priority basis.**
